

## About H & B Enterprises Catering and Food Services

H & B Enterprises Catering and Food Services was founded through faith, friendship, and a shared calling to serve others. After years in Corporate America, William Burdines and Sheila Heyward felt led to step into something more purposeful, building a business rooted in service, freedom, and community.

That calling became clear during a marriage retreat, when William was reminded of Sheila's dream of owning her own business. Through prayer and reconnection, H & B Enterprises Catering and Food Services, LLC was formed. William's wife, Christle, later joined as Managing Partner, strengthening the vision and foundation of the company.

At H & B LLC, we believe food is a blessing meant to be shared. Guided by faith and gratitude, we specialize in slow-cooked meals prepared with patience, love, and tradition. Every dish is created to nourish both the body and the soul, bringing people together in fellowship and celebration.
